

URGENT VOLUNTEERS WANTED

Did you know that you can make an important contribution to the work of Able Australia by becoming a volunteer?

Able Australia is one of Australia's leading not-for-profit community transport providers and needs one or more days a week of your time to help keep our vital community services running. You could:

- Drive senior citizens or people with a disability to and from medical appointments or social activities such as shopping and community groups
- Collect and deliver items for our Community Food Pantry
- Work behind the counter at the Community Food Pantry
- Assist our kitchen staff
- Provide office support

Volunteers help to create positive changes to the lives of the people we support. Sometimes small things like a smile and a chat can brighten a client's day.

Our vehicles are sitting waiting for you to use!

To register your interest, please call our Jimboomba office on **07 5600 0750**.
