Twinkle Twinkle
Twinkle, twinkle, little star,
How I wonder what you are!
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!

Actions:
With your hands and fingers open, wiggle them to represent stars twinkling. Raise your hands above your head and make a diamond shape with your fingers using your pointer fingers and your thumbs.

Head, Shoulders, Knees and Toes
Head, shoulders, knees and toes, knees and toes, knees and toes.
Head, shoulders, knees and toes.
We all clap hands together.

Actions:
As you sing the words, put both hands on your head, then shoulders, then knees, then toes. As your child learns this song, you can vary the pace and also add other parts of the body.

The Wheels on the Bus
The wheels on the bus go round and round.
Round and round, round and round.
The wheels on the bus go round and round.
All the way to town.

The people on the bus go up and down.
Up and down, up and down.
The people on the bus go up and down.
All the way to town.

The babies on the bus go waa, waa, waa.
Waa, waa, Waa, waa, waa.
The babies on the bus go waa, waa, waa.
All the way to town.

The horn of the bus goes toot toot toot.
Toot toot toot, toot toot toot.
The horn of the bus goes toot toot toot.
All the way to town.

Actions:
Firstly, move your hands and arms round and round in a circle. Then, stretch up and then bend down. Thirdly place your hands next to your eyes and pretend to cry. Finally pretend to be honking the horn on the steering wheel of a bus. All in time with the words.

How to play:
- Find the number which tells your age.
- Put a small button, or stone on the number.
- Choose one of the ideas to do – some are easier than others.
- Move to the next numbers in order. If you have time, you can move all over the board.
- Play again making rules of your own.

Play this game with your child and together you will be speaking, writing, reading and talking about numbers, measurements and space.
